

MARCH IS COLORECTAL CANCER AWARENESS MONTH

Colorectal Cancer is a disease in which cells in the colon or rectum grow out of control. Sometimes called Colon Cancer, for short.

It is one of the most common types of cancer and is a leading cause of cancer-related deaths in the United States.

Fighting The Colors of Cancer

IN SOLIDARITY, LET'S
WEAR NAVY BLUE AND
TAKE A WALK
TOGETHER OR RIDE
YOUR BIKE, FOR THOSE
WHO HAVE FOUGHT
AND FOR THOSE WHO
ARE FIGHTING TO WIN
THE BATTLE AGAINST
COLORECTAL CANCER.

YOUR SUPPORT
WILL BE GREATLY
APPRECIATED!

PLEASE DON'T LET
"NOT HAVING NAVY
BLUE" KEEP YOU FROM
COMING!
